The benchmark pass per each subject is 40, therefore those who underscored or who got the marks which are below that benchmark shall sit for supplementary examinations from 5th January 2010 after normal class hours. Failure to attempt them may lead to discontinuation from studies.

Costs of setting and marking are upon those who failed to attain the recommended marks as the college by laws states. Therefore student teachers who failed in a single subject will contribute Tsh5000, those in two subjects Tsh10000 and those in more than two subjects Tsh20000

It's our hope that the results will be the catalyst for self studies and creativity among student teachers

I WISH YOU THE BEST PREPARATIONS FOR THE 2ND TERM IN THE NEW YEAR
